LEADERSHIP EXPERIENCE

Latinx Graduate Student Organization (LatinxGrads), Rice University April 2023-Present
President

- Builds community for Latinx graduate students through social, volunteer, and professional development events

Rice University Graduate & Postdoctoral Studies Pathways Program April 2023-Present
Pathways 2.0 Leadership Team

- Organizes workshops for individual professional development for second-year doctoral students from underrepresented racial/ethnic backgrounds
- Serves as a liaison between our organization and affinity groups on campus (e.g., Black Graduate Student Association, LatinGrads)

Rice Industrial/Organizational Psychology Association, Rice University October 2022-September 2023
Co-President

- Unified the program by creating more opportunities to engage with one another
- Produced social media content for the program’s Instagram account to reach a wider audience
- Organized an end of year social event for 100+ attendees
- Revived program’s website by adding student images to create a more welcoming interface for future applicants

Help Center Committee for Diversity and Inclusion, UMD July 2020-August 2021
Co-Founder

- Developed new diversity and inclusion standards that will enhance the experience of volunteers and callers from minority populations
- Reviewed current applicant and training policies and revised them to align with new diversity and inclusion standards

Martin Luther King Jr. Middle School, Beltsville, MD Spring 2020
Robotics Club Tutor

- Created lesson plans and activities for students to enhance their skills in robotics
- Communicated importance of STEM education to a young generation of students
